A complex black and white maze with a blue path highlighted. The path starts at the top left, labeled '#1', and winds through the maze, ending at the bottom right. The path is a single continuous line that navigates through the maze's corridors and avoids the walls. The maze is composed of a grid of squares, with some squares being open paths and others being walls. The blue path is the only path shown, indicating a solution to the maze.

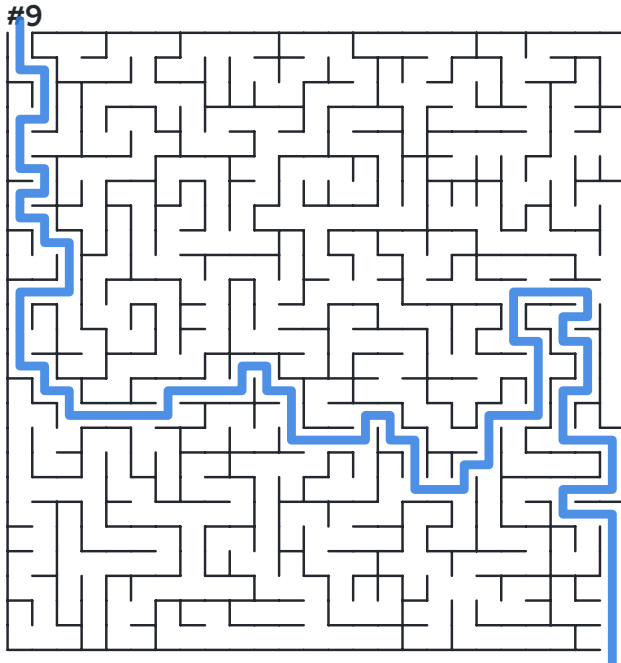

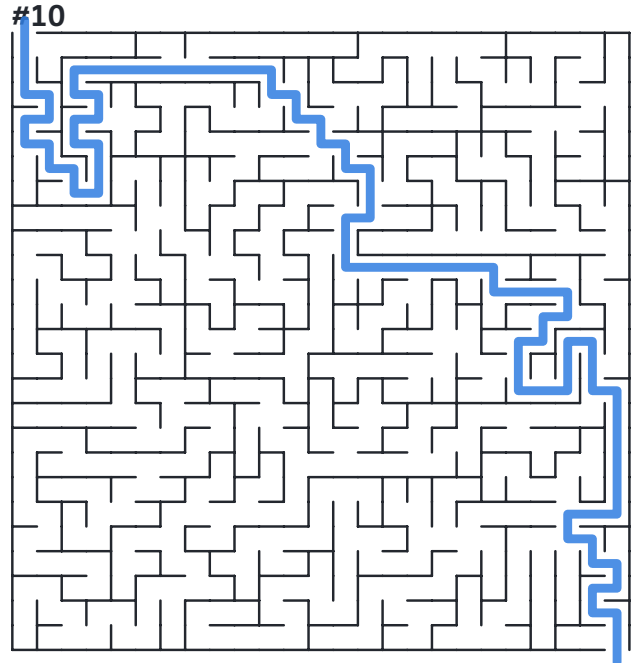

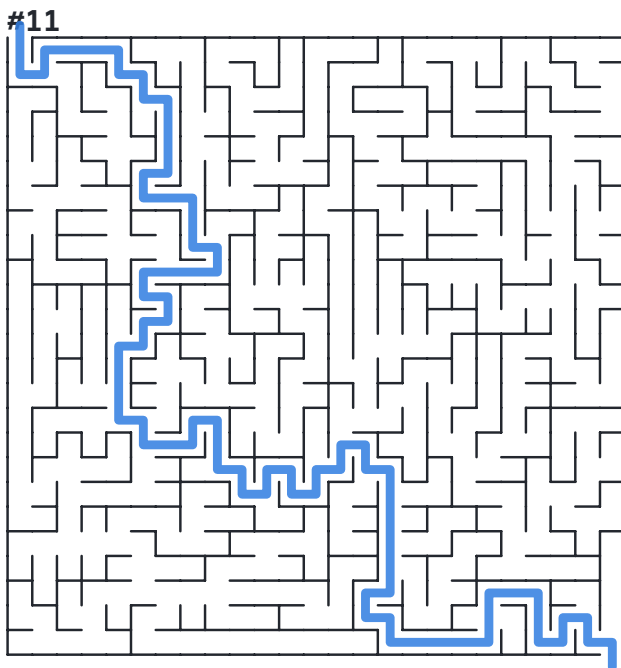

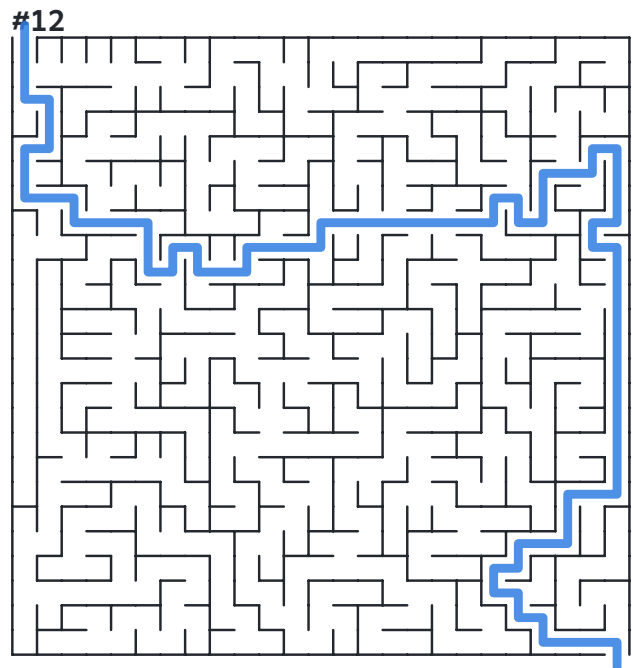

A square maze labeled "#5" in the top-left corner. The maze consists of a grid of black lines forming walls. A thick blue line traces a path through the maze, starting from the top-left corner and ending at the bottom-right corner.
